** Memberships are to be paid in full before the 30th of June 2021 or members can have a direct debit plan in place to hold a handicap, compete in competitions and partake in inter club competitions on behalf of New Forest. **

2022 & 2023 Membership Plan

In March of 2022 all members who have paid their full subscription for 2021 will be invoiced to renew their membership. At this point I will send all members an email with an invoice attached. Our intention is to bring our time period of membership back to January – December. Because of this we will offer all members a pro rata membership rate for 9 months. This rate will be calculated off the current membership prices. All prices listed include the Golf Ireland fee and insurance.
